## Other Features Included As Standard...

<b>Software</b>	Blu-ray viewing software is included with all Blu-ray drives.
<b>Ports</b>	Each computer comes with 1 x PS/2 keyboard port and either 1 x PS/2 mouse port or USB ports.
<b>Fans</b>	Where necessary your computer will come with extra case fans fitted.
<b>Support</b>	We offer lifetime <b>hardware</b> technical support and we're open Monday - Friday 9am - 8pm (Saturdays 9am - 5pm) with no expensive call charges.
<b>Cables &amp; Manuals</b>	A power cable, all drivers, manuals, and a heatsink & fan are included with every order.
<b>Service</b>	Our computers come fully assembled & thoroughly tested. We are so confident in the quality of our computers that we offer a free collection and re-delivery service should you ever have a problem with your computer. The free collection and re-delivery period is specified within your chosen warranty option.
<b>Installation</b>	If you order an operating system it will come fully installed with a genuine licence key (hard-coded into your BIOS).
<b>Packaging</b>	Your computer will arrive in a multi-adjustable double walled computer system pack. This packaging has been specially designed for your computer and includes shock absorbing cushion foam end caps and a top fitting box with lifting handles. Internal Instapak™ packaging is included <b>free of charge</b> with certain large case/powerful GPU combinations.
<b>Low Total Cost of Ownership</b>	Taking into consideration our low cost telephone support, free collection warranty service* and our strive to use energy efficient components where possible, the total cost of ownership is reduced as much as possible.
<b>Right to Cancel</b>	

Providing the goods are unused and in a resaleable condition, you have a right to cancel any order within 14 days without giving any reason. For further details on how to cancel an order, please [click here](#). Business customers excluded.

**And Finally** If you are lucky enough to have seen a cheaper quote, [click here](#).
